

In partnership with:

Advanced Laparoscopic Pelvic Surgery Masterclass

21 - 22 February 2024

21 Feb - King Chulalongkorn Memorial Hospital

22 Feb - Chula Soft Cadaver Surgical Training Center

This two-day, highly-interactive masterclass brings together Asia's leading experts in advanced laparoscopic pelvic surgeries, giving participants an opportunity to refine their techniques and approaches.

Through a curated blend of live-surgery observations, lectures, case discussions and hands-on cadaveric sessions, participants can familiarize themselves with procedural skills needed in laparoscopic pelvic resections and master pelvic anatomy in a safe environment with close proctoring by experts. Case observations will highlight critical procedural steps and tips needed to efficiently perform the targeted laparoscopic procedures.

Objectives

- Improve surgical and oncological outcomes in laparoscopic colorectal surgery.
- Deliver high-value learning experiences via live case observations and discussion, interactive lectures and hands-on cadaveric workshops to enhance skills in Laparoscopic Total Mesorectal Excision (**TME**), Transanal Total Mesorectal Excision (**TaTME**), and Lateral Pelvic Node Dissection (**LPND**).
- Gain technical pearls and avoid pitfalls when performing difficult colorectal resections mentioned above and managing potential complications.
- Gain comprehensive insights into safe and effective use of modern stapling and advanced energy technologies in the aforementioned colorectal surgical procedures, as well as tips, tricks, and troubleshooting for each device.

Target Audience

Colorectal surgeons/specialists with at least 2-5 years of experience and > 80 colorectal procedures annually, or colorectal surgeons/specialists with > 5 LPND cases annually.

Meet the Masters

Guests

Prof. Gyu-Seog, Choi

Department of Colorectal Surgery, Kyungpook National University Hospital, Daegu, South Korea

Dr. Isaac Seow-En

Department of Colorectal Surgery, Singapore General Hospital, Singapore

Associate Prof. Charnjiroj Thiptanakit

Bumrungrad International Hospital, Bangkok, Thailand

Leads

Prof. Chucheeep Sahakitrungruang

Chulalongkorn Colorectal Research Unit, Chulalongkorn University, Bangkok, Thailand

Assistant Prof. Songphol Malakorn

Chulalongkorn Colorectal Research Unit, Chulalongkorn University, Bangkok, Thailand

Dr. Dhatchai Charoensilavath

Chulalongkorn Colorectal Research Unit, Chulalongkorn University, Bangkok, Thailand

Wednesday, 21 Feb

@ King Chulangkorn Memorial Hospital

TIME	AGENDA	PRESENTER / FACULTY
08:00 – 08:15	Arrival Adjourning to Meeting Hall	J&J
08:15 – 08:30	Welcome Address	Prof. Suthipong Wacharasindhu and Prof. Chucheep S. / Asst. Prof. Songphol M.
Session 1: Case Discussion		
08:30 – 09:30	Open Forum – Case Discussion & Deliberation: Complex Rectal Cancer (4 Cases)	Chula Colorectal Fellow – Dr. Kitrawee J. ALL FACULTY
09:30 – 10:00	Tea Break	ALL
Session 2: Live Surgery – Case Demonstration and Observation		
10:00 – 15:30	<u>Live Surgery: 2 Complex Cases (CONCURRENT)</u> OR1) Laparoscopic TME + LPND OR2) TaTME <i>Both cases can be viewed through a broadcast.</i>	OR1) Prof. Gyu-Seog, Choi and Dr. Dhatchai Charoensilavath OR2) Prof. Chucheep S. and Dr. Isaac Seow-En <i>Moderated by Asst. Prof Songphol Malakorn.</i>
15:30 – 16:30	Tea Break Post Surgery Q&A	ALL ALL FACULTY
16:30 – 19:30	Journey to Course Dinner Course Dinner Post-Op Discussion and Closing Remarks	ALL
19:30 – 20:00	Next-Day Briefing Adjourn for Day 1	ALL

Thursday, 22 Feb

@ Chula Soft Cadaver Surgical Training Center

TIME	AGENDA	PRESENTER / FACULTY
07:45 – 08:00	Registration Coffee and Tea	ALL
08:00 – 08:10	Opening and Faculty Introductions	Prof. Chucheep Sahakitrungruang
Session 3: Theoretical Session – Didactic Lectures <i>The last 10 minutes of each lecture consist of Q&A moderated Prof. Chucheep S. & Assoc. Prof. Charnjiroj Thiptanakit.</i>		
08:10 – 08:40	<u>Lecture 1</u> Pitfalls in Laparoscopic Total Mesorectal Excision (TME)	Dr. Dhatchai Charoensilavath
08:40 – 09:10	<u>Lecture 2</u> Transanal TME (TaTME): Tips, Tricks and Innovations	Dr. Isaac Seow-En
09:10 – 09:40	<u>Lecture 3</u> Who should get a Lateral Pelvic Node Dissection (LPND)?	Asst. Prof. Songphol Malakorn
09:40 – 10:10	<u>Lecture 4</u> Lateral Pelvic Node Dissection: Tips, Tricks and Pitfalls	Prof. Gyu-Seog, Choi
Session 4: Hands-On Session – Soft Cadaveric Dissection		
10:10 – 10:25	Tea Break Skills Lab Orientation Changing of Attire	ALL
10:25 – 16:00	<u>Cadaveric Hands-On</u> Laparoscopic TME + TaTME + LPND <i>Lunch Break will be given based on station's discretion.</i>	ALL FACULTY
16:00 – 16:30	Delivery of Certificates Photo-taking Closing Remarks	J&J, Prof. Chucheep Sahakitrungruang and Asst. Prof. Songphol Malakorn
16:30 – 17:00	Coffee and Tea Refreshments	ALL
